

Advisory for submission of additional documents with application
under GNA Regulations

The application formats are being updated in line with 1st amendment to GNA regulation dated 01.04.2023. Meanwhile, applicants are required to submit their applications in the formats available on NSW portal. To fulfil the additional requirements under the 1st amendment to the GNA Regulations, applicants need to submit the following documents mandatorily in addition to documents mentioned on NSW portal.

It shall be noted that application might get submitted in absence of the requisite mandatory document but shall not be treated as a complete application. Such applications shall be reverted and application priority shall be based on submission of the complete application along with mandatory documents.

“As these forms under GNA are developed for first time, applicants are requested to share us any problems/ feedback for possible improvements.”
